TO WHOMSOEVER IT MAY CONCERN

Over the last 3/4 years we have been procuring L.T.& H.T Power Cables from companies such as CCI cables, Torrent, Polycab, KEI & RPG for use in our various projects.

We are fully satisfied & very happy with not only the quality of cable supplied by M/s RPG Cables Ltd over the years, but also their timely deliveries and excellent pre & post sales service.

We would highly recommend the cables, supplied by M/s RPG Cables LTD. to anyone, requiring these cables.

Yours Faithfully,

Prashant Saxena
