Dear Mr Kumar

APPLICATION TO REGISTER AS AN APPROVED VENDOR TO NAMPOWER

I have pleasure in informing you that your application to conduct business with NamPower has been approved.

Please take note that registering with NamPower is not an entitlement to automatically conduct business, but rather to build up a database of suppliers/contractors available locally and abroad where NamPower can draw from.

For ease of reference, the Tender and Procurement Policy currently employed by NamPower can be viewed on our website www.nampower.com.na.

You are reminded to forward all changes regarding the nature of the business, product range, company registration, etc in writing to the Tender Administrator.

NamPower looks forward to establishing and enhancing an amicable business relationship with you and your organisation.

Yours faithfully

M Gotore
